# Logging into Community without SSO

Prerequisite

You will need to be added to the Community site as a user with your name and email address.
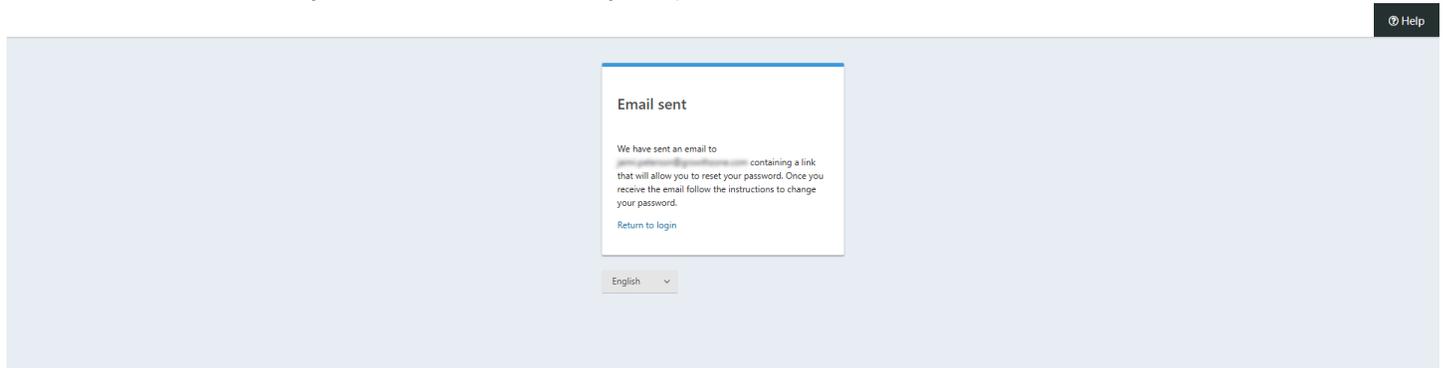

Steps to login

When provided a link for a Community site, and it is your first time logging in, you will be directed to a URL containing fusionauth.junolive.com where you will need to click "Forgot Password" to create your password.

You will be prompted to enter in your email address and "submit".

An email will be sent to you with a link to reset your password.

This email comes from no-reply@junolive.com
